Customer Service - 2024-12-02 - Comments (0) - Tides Resort Hollywood

The cost for using the washer and dryer is \$1.85 per load each.

In the unit, you'll find a card labeled 'Tides' that you can use for payment at the laundry facility. Please note that the card must be loaded into a machine next to the registration office, and it only accepts credit cards; debit cards or cash are not accepted.
