Parking ?

Customer Service - 2024-12-02 - Comments (0) - Tides Resort Hollywood

If you have a vehicle, please proceed to the valet desk and ask for the parking form. Fill it with your car information and proceed to the office to do your registration. The registration office is open from 9 am to 5 pm.

When parking, be mindful that parking spaces that say valet only, reserved, or commercial parking spots are not available for guests.

You can pay for parking and receive a parking hang tag for your car.
