### **Outdoor Recreation**

There are plenty of nearby state parks, beaches, and nature preserves to explore! Come and satisfy your outdoor thirst for adventure at Oleta River State Park, classified as Florida's largest urban park! This natural oasis is comprised of over 1,000 acres of lush mangrove forests and a network of trails perfect for mountain bikers and paddlers. If you're a sucker for sunsets, set up a picnic in the pristine grounds of Haulover Park – offering over 170 acres of space for you to enjoy the sunnier days. Want to sooth your soul with vitamin sea? Well, Sunny Isles Beach is in your backyard! However, if you don't mind a longer drive, Miami Beach is an absolute must-see – world renowned for its famous nightlife, designer shopping, and Spanish inspired architecture making it one the world's most unique destinations.

### **Art, History and Culture**

Make sure to reserve at least 1 day to visit and learn more about southern Florida's vibrant cultural landmarks! We recommend checking out Wynwood Walls, showcasing some of the world's most iconic graffiti and street art displays sure to dazzle you! Why not also attend a world-class Broadway show at the international acclaimed Adrienne Arsht Center? This historic venue is one of the largest in the USA and presents only the finest productions such as Beauty and the Beast, guaranteed to impress. For admirers of history, make your way to the Ancient Spanish Monastery! This piece of Spanish history , making it one of the oldest buildings in the western hemisphere.
