You can see here for each listing all reservations in your calendar

The screenshot displays the 'Multicalendar View' interface. At the top, there is a search bar with the text 'Search by listing name, location, tags' and a '2 listings' indicator. To the right, there are buttons for 'Today' and 'June 2021'. Below the search bar, a dropdown menu is set to 'All listings'. The main area is a calendar for the month of June 2021, with days from Sat 26 to Mon 28 in the previous month and Thu 01 to Mon 07 in the current month. Two listings are visible in the calendar:

- Listing 2:** CH-... (with a photo of a living room). Reservations are shown for 'Melissa v' on Sat 26 and Sun 27 (rate \$160), 'Katelyn' on Thu 01 and Fri 02 (rate \$160), and 'Dulce M' on Sat 03 and Sun 04 (rate \$160).

The interface includes a sidebar on the left with navigation icons for home, calendar, and other features. The text 'Multicalendar View' is centered below the calendar.
