The screenshot displays the 'Multicalendar View' interface. At the top, there is a search bar labeled 'Search by listing name, location, tags' with '2 listings' next to it. To the right, there are buttons for 'Today' and 'June 2021'. Below the search bar, there is a dropdown menu for 'All listings' and a calendar for the year 2021. The calendar shows dates from Saturday, June 26 to Monday, June 28. Reservations are shown as blue bars with names and prices: 'carlos j' for \$180, 'James' for \$180, 'Mercede' for \$160, 'Melissa V' for \$160, 'Katelyn' for \$160, and 'Dulce M' for \$160. A sidebar on the left contains navigation icons for home, calendar, and other features. The text 'Multicalendar View' is centered below the calendar.
