Customer Service - 2024-12-02 - Commentaire (1) - Lyfe Beach Resort

If a package arrives after a guest checks out, cielo stays must send an email to authorize another person to retrieve it. The authorization email should be sent to [concierge@hyderesorthotel.com](mailto:concierge@hyderesorthotel.com), stating the name of the authorized individual. That individual must bring an ID and a credit card.
